

BOYS & GIRLS CLUBS OF ANNAPOLIS & ANNE ARUNDEL COUNTY

For more than 30 years, BGCAA has been in the forefront of youth services in Anne Arundel County, serving local kids annually through membership and outreach. Each of BGCAA's six Clubhouses is strategically situated in communities with a high concentration of poverty, including Low/Moderate Income and Subsidized Housing Communities.

BGCAA continued to be a positive, critical presence in the lives of our members during the pandemic by providing in-person and virtual programming, daily meals, reliable wifi, real-time support, and more. Moving forward, Clubs will continue to serve those who need us most through summer camp and after school programs, providing a safe, fun place for kids to learn and grow.

SCHEDULE

MONDAY, OCTOBER 4, 2021
THE GOLF CLUB AT SOUTH RIVER

The Annual BGCAA Golf Classic will return to its original format this year, including a 12pm shotgun start, Putting Contest, and post-event dinner. We are excited, though, to incorporate components from our 2020 tournament, including the Scratch-Off Contest and virtual silent auction. Last year's event was a huge success thanks to our sponsors and participants. We look forward to another successful year of golf, thanks to your valuable thoughts and feedback. See you on the green!
